

Clients value the clarity and support.

Feedback is consistently positive. Respondents highlight clear communication, flexible support and practical plans their teams can carry forward.

A 9/10 rating is equivalent to 90/100. Both 9 and 10 count as promoters, so the overall NPS remains +100.

What clients appreciate

- Clear communication: Processes are explained well, and questions are answered.
- Practical guidance: Clear roadmaps help teams make improvements and continue independently.
- Adaptable partnership: Support aligns with business goals and changing needs.

Recommended next step

Follow up with the 2 respondents willing to discuss testimonials, then invite another group of clients to broaden the feedback.
